

Saint Joseph's Parent Athletic Committee (PAC)

The vision of a joint booster club is to serve as an extension of the Saint Joseph's Athletic Department in the realm of fundraising, as the Athletic Department is an extension of the classroom. There is no individual or team that carries greater weight than the overall goals of our school community. The objectives of our athletic programs are centered on building believers, scholars, leaders, and servants. In order to accomplish our goals of developing well-rounded student athletes, our community must work as a single unit.

The Parent Athletic Committee consists of volunteer parents who feel strongly about our vision for athletics. These individuals plan, organize, and implement fundraising efforts to support our athletic budget.

What is the fundraising goal for the PAC?

Our fundraising goal for the 2018-2019 school year is \$50,000.

We will accomplish this goal through the following avenues:

- *Saint Joseph's Apparel Sales*
- *Home Competition: Gate and Concessions*
- *Saint Joseph's Activity/Raffle Calendar Sales*
- *Back the Pack Sponsorship Program*

How are the funds used?

The funds are earmarked to assist in transportation and athlete recognition costs. The athletic budget is developed to allow our student-athletes to gain competitive experiences throughout the region, the cost of transportation and lodging can get expensive for these trips. Additionally, it is important to recognize our Student-Athletes for their positive representation within our community. Awards, gifts, and marketing efforts are an important piece of the budget.

How do SJCA families assist in these efforts?

Service is one of the four pillars of Saint Joseph's Catholic Academy. It has been a staple of the school that students appreciate their ability and responsibility to assist their greater community. The PAC feels as though parents should model this expectation through service to the school. Therefore, each family is asked to sign-up to work two (2) home event per student throughout the year.

Additional ways we, as parents, can help...

- *Join Back the Pack, and recruit others to do the same*
- *Sell a couple calendars*
- *Buy some apparel*
- *Volunteer to serve on the PAC*

Sign-up at the apparel table for information on our next meeting!!

Together, the families of Saint Joseph's can ensure that our students have outstanding experiences in Athletics, and create a model of sustainability for future wolves. Please consider helping out today!

Go Wolves!
