

The Saint Isidore Student-to-Student Scholarship

The Saint Isidore Student-to-Student Scholarship was established in the spring of 2021 by the students and for the students as a part of the Saint Joseph's Catholic Academy Named Scholarship Program. This award is a student funded named scholarship that evolved out of an alms-giving initiative by students during the Lenten season in the spring of 2021. This named scholarship will continue to be funded through student giving initiatives. The amount of the award will be applied toward the student technology fee required by Saint Joseph's.
