Principal's Message

Dear SJCA Families,

We hope students are enjoying a respite after midterm exams. This week we will begin the 3rd Quarter. We will have a virtual day tomorrow, January 19. Students will complete work asynchronously at home, while teachers will have an inservice at school. (The parent-teacher conferences previously advertised will take place on Monday, February 16.)

Grades for the first semester will be available soon. Please note that the report card will list a first quarter grade, second quarter grade, and exam grade, with each quarter comprising 45% of the semester grade and the exam accounting for the other 10%.

After the prolonged budget impasse last year, state funds were finally approved for our new laptops through the Pennsylvania Department of Education. We have a limited number, and these are designated to replace the Macbooks that some students are still using. Students were sent an email last week asking them to complete a survey indicating if they still have a school-issued Macbook. Those that do will come to the admin office during their house time this Wednesday to swap out their old Macbook for a new Chromebook.

Please encourage prospective families to complete an application online for next school year, and inform them that they are welcome to contact us for a shadow visit for their 8th grader as well.

Have a blessed week,
Dr. Geoff Miller

Mini-THON

CONQUERING CHILDHOOD CANCER

FOUR ♦ DIAMONDS

Saint Joseph's Catholic Academy would like to invite you to our annual Mini-THON. The event will be held on January 30 from 7pm-7am at the Student Life Center, located at 901 Boalsburg Pike.

Mini-THON is a great opportunity for students to become part of the SJCA community and meet potential classmates. This event raises money to help children with cancer cover medical expenses and to support innovative childhood cancer research.

The cost to attend is \$10 per student for those in grades 5-8. If you have a son or daughter in grades 5-8 who is interested in attending, please complete the registration using the link provided in the QR code.

We hope you will join us to support childhood cancer research and to begin your journey as part of the Saint Joseph's Catholic Academy community
