Principal's Message

Dear SJCA Families,

We hope you had a restful and blessed Christmas break. This week is our last week of the 2nd quarter. Health screenings will take place this Wednesday during the school day. Students who wear glasses or contact lenses should wear them for the eye test that day.

Student Perception surveys will go out this week for select classes to help us gauge students' experiences in those courses. Students will respond to the questionnaire sent via email for those courses.

January 12-16 is Exam Week. We will have a normal school day on Monday Jan. 12th, followed by four days with 2 exams per day. School will begin at 8:00am and end just before noon. See more details below. If a student has a study hall for a particular exam slot, they are not required to be on campus for that exam time, meaning students may arrive after 8am or leave before 12noon if they have an open slot. However, students who do not have a ride home until 3:05pm may stay on campus until 3:05 as there will be adult supervision every afternoon..

Have a blessed week,

Dr. Geoff Miller
