Naomi Crispin became the first SJCA basketball player, and just the fourth player in Centre County history, to cross the 2000-point mark on Monday's game against Juniata. She joins Centre County legends Kyla Irwin (State College, 2016), Halle Herrington (Philipsburg-Osceola, 2019), and Dana McDonald (Penns Valley, 1989).

Principal's Message

Dear SJCA Families,

Tomorrow our students have a virtual day, and parent-teacher conferences will take place in the afternoon via video conference. These meetings will prioritize students who are off to a slow start in the third quarter.

Faculty have sent emails with instructions to parents whose students are currently earning a C or lower for the quarter. If you have a student with a low grade but did not receive an email from their teacher, please contact that teacher to set up a time to meet with them.

On Tuesday we will celebrate Mardi Gras with a dress-down day and other fun activities. The following day we will have mass to mark Ash Wednesday and usher in the season of Lent.

Wednesday is also the final day that the application fee is waived for incoming families. Please encourage anyone you know to take advantage by applying by Feb. 18th, although we'll continue to accept applications through mid August.

Have a blessed week,
Dr. Geoff Miller

Gym is a semester-long, freshman-only class that provides a physical outlet for students as they get introduced to high school sports.

Congratulations to Maria Finke, Jonah Hoy, and Hana Ohmoto on being named National Merit Scholar Qualifiers! This recognition places them among the highest achieving students in the nation. They are in the top 1% of PSAT test takers in the state and have an opportunity to receive the prestigious National Merit

BRAEDEN MILLER

"The most important thing SJCA made me understand was how important it was for me to go to a Christian college. Being at St. Joes and surrounding myself with other believers I have realized truly how much people around you affect you. I am beyond thankful for all faculty, staff, and students."

MADDIE KOSHKO

"After beginning to prioritize and take care of myself, I learned to find joy in every day. I have learned to embrace challenges and take risks. I have learned to ask for help and grow trust."
